

Parking

Complimentary parking for SEMLA attendees who are not staying at the conference hotel will be available in the **Hull Street parking deck** during all scheduled meeting events. (See “Driving Directions to the Holiday Inn” elsewhere on the 2015 conference website to find your way from out-of-town to S. Hull Street. Follow S. Hull past the Holiday Inn, around the curve to the right where it turns west toward Waddell, and then make an immediate left at the next T intersection to remain on S. Hull, passing the west end of the Special Collections building on your left.)

Enter at the south entrance near Baxter Street. (If you reach Baxter, you’ve gone too far.) Take a ticket to enter, and take it with you when you exit your vehicle.

If you leave the deck before 8:00 p.m. on Thursday or Friday: Before leaving the Special Collections Library, present your ticket at the security desk located in the lobby and sign for a token. Someone will be at the security desk the entire time SEMLA is using the building. **There is no parking attendant so you must have a token to exit.**

N.B.: On Friday, October 30, you must sign for your token at the security desk **before 5:00 p.m.** if you are not staying for the banquet but you plan to leave the Hull Street deck before 8:00 p.m. This is because SEMLA will not be occupying the Special Collections building after 5:00, even though we have a scheduled meeting event in the evening, so the building will be closing then.

If you leave the deck after 8:00 p.m. M-F, or at any time on the weekend, the gates will be up and there is no need for a token.

Handicapped parking is located on Level 3 of the deck as well as a pedestrian bridge connecting the parking deck to the quad in front of the Special Collections Library.
